Grade 10 Privilege: Permission for Grade 10 students to leave the school premises

Dear Parents,

The purpose of this form is to allow you to give your permission for your son/daughter to leave the school premises during lunch recess as their Grade 10 student privilege. In order for Grade 10 students to eat lunch outside the school, we allow them to leave the premises during lunchtime from 12.50 - 13.35.

With this freedom comes responsibility. We expect students to present themselves in a way that reflects well on them and upon the school, to continue to follow the school rules, be at class on time, meet work deadlines, and behave in accordance with our school mission and philosophy. Failure to do the above will mean the removal of the privilege. Furthermore, legal and insurance requirements dictate that the parents/guardians give expressed permission for their son/daughter to leave the school premises. Without this permission, students will be expected to stay on the school premises for the duration of the normal school day.

This privilege will not start until later in the school year and parents and students will be informed accordingly. Meanwhile grade 10 students should bring their own lunch or eat in the cafeteria.

Sincerely,

Michael Bailey
Dean of Students
